

To use your **(1)SkinMiles rewards** simply click **(2)Apply Discount**. A window will pop open. Then either select your full miles allocation by clicking **(4)Apply Discount** or **(3)change the total** to the amount of miles you want to use with your purchase and then click **(4)Apply Discount**.

The order amount will be automatically recalculated with your new cart total.

The screenshot shows a web browser window with the URL 'skinmiles.com'. The page title is 'CART' and the breadcrumb is 'SkinMiles » Cart'. A notification bar at the top states: 'Use 16790 SkinMiles for a R1,679.00 discount on this [Apply Discount](#)'. Below this is a form with a warning icon and a text input field containing '1'. To the right of the input field is an 'APPLY DISCOUNT' button. A second notification bar below the form says: 'Apply the gift card code in the following box'. Below this is another text input field labeled 'Gift card code' and an 'APPLY GIFT CARD' button. A third notification bar at the bottom of the form area says: 'If you proceed to checkout, you will earn 1491 SkinMiles'. Below the notifications is a table with the following columns: PRODUCT, PRICE, QUANTITY, and SUBTOTAL. The table contains one row for 'SKINCEUTICALS CE Ferulic' with a price of R2,485.00 and a quantity of 1. The subtotal for this item is R2,485.00.

PRODUCT	PRICE	QUANTITY	SUBTOTAL
 SKINCEUTICALS CE Ferulic	R2,485.00	- 1 +	R2,485.00
